

## Eurasian Minerals Inc.

### NEWS RELEASE

#### **Eurasian Minerals Added to Standard & Poor's S&P/TSX Venture Select Index**

**Vancouver, British Columbia, October 26, 2011 (TSX Venture: EMX)** -- Eurasian Minerals Inc. (the "Company" or "EMX") is pleased to announce that the Company has been added to the Standard & Poor's S&P/TSX Venture Select Index (the "Index" or "Composite"). EMX was selected for representation in the Composite by meeting specific capitalization and liquidity requirements. Eurasian Minerals is a global gold and copper exploration company utilizing a partnership business model to explore the world's most promising and underexplored mineral belts. Please see [www.eurasianminerals.com](http://www.eurasianminerals.com) for more information.

**About Eurasian Minerals Inc.** EMX currently has projects in ten countries on four continents, with most of the exploration expenditures covered under joint venture agreements with a prestigious group of global mining companies that includes Newmont Mining Corporation, Vale S.A., Antofagasta S.A., Centerra Gold Inc., Inmet Mining Corporation, and Freeport-McMoran Copper & Gold Inc. In addition, International Finance Corporation, a member of the World Bank Group focused on private sector investments in developing countries, is a significant EMX shareholder. The Company is in excellent financial condition, and continues to generate additional wealth via grassroots prospect generation, strategic acquisition, royalty growth and merchant banking.

**About S&P Indices.** The S&P/TSX Venture Composite is a broad market capitalization-based index measuring the performance of public securities listed on Canada's TSX Venture Exchange. The S&P/TSX Venture Composite is calculated and managed by Standard & Poor's. The Toronto Stock Exchange (TSX) is the owner and distributor of all S&P/TSX equity index data. Over US\$1.25 trillion is directly indexed to Standard & Poor's family of indices, which includes the S&P 500, the world's most followed stock market index, the S&P GSCI, the industry's most closely watched commodities index, as well as the S&P/TSX Venture Select Index that now includes EMX.
